

Certification by EverdreamSoft to hold BitCrystals in a Wallet - "The Freeze"

EverdreamSoft S.A. ("EverdreamSoft") certifies with this document how it will manage the main part of its own BitCrystals ("BCY") till the middle of next year 2018.

During the initial token sales of BCY for the crowdfunding of the project Spells of Genesis (SoG) as ICO (Initial Coin Offering), EverdreamSoft created 100'000'000 BCY.

After the end of the BCY crowdfunding:

- 55'566'099.18 BCY were burnt, sent to the SoG Burnt wallet address
1BURNSogXXXXXXXXXXXXXXXXXXXXW3ny2Y
- 30'000'000 BCY were allocated to EverdreamSoft for product development and marketing
- 14'433'900.82 BCY were distributed to the people participating in the SoG crowdfunding.

On 20th of April 2017 the SoG game app global launch milestone was reached. New features and initiatives for SoG and BCY are planned. The interest for BCY is growing.

EverdreamSoft further desires to hold the main part of its BCY for the long term & commits to not sell any of the BCY in its most valuable wallet with address 1J59oicHWyFNoqUKSBDksiHsVpHdhEZDcm

The other important EDS wallet 1N4iYoft4eMd3CoKc4z6MXSr5r4B3dUgPT is kept for burning BCY for half of the SoG game revenues, for marketing incentives, for supplier payment, employees incentives, and for other action supporting SoG and BCY projects.

In accordance with this freeze commitment, we transferred additional BCY on Friday 12th of May 2017 from 1N4iYoft4eMd3CoKc4z6MXSr5r4B3dUgPT to have a total of 18'000'000 BCY in 1J59oicHWyFNoqUKSBDksiHsVpHdhEZDcm

For information the next wallet in value with address 1BCYpzZAmH3pX7EXU6s4gxtG1AoVMn2Nfj is the one of the main BCY trading marketplace Poloniex with the BCY of all its subscribers holding BCY.
